FILED ON THIS SAME DATE BY SEPARATE EXPRESS MAILING

Sir:

Enclosed are original drawings (4 sheets) and an unsigned Declaration & Power of Attorney. These enclosed documents were referenced in, but inadvertently omitted from, a patent application filed earlier today with the USPTO via Express Mail. For your reference and convenience, a copy of that patent application is enclosed (which copy includes a transmittal letter, a specification, an appointment of associates and a return-receipt post card).

The patent application is a non-provisional filing claiming priority to provisional application No. 60/454,838, filed March 14, 2003. Applicant provides this information here so as to assist the USPTO in associating these drawings with the specification and other documents of this patent application.

The Commissioner is hereby requested and authorized pursuant to 37 CFR §1.136(a)(3), to treat any concurrent or future reply in this application requiring a petition for extension of time for its timely submission, as incorporating a petition for extension of time for the appropriate length of time. Please charge any additional fees which may now or in the future be required in this application, including extension of time fees, but excluding the issue fee unless explicitly requested to do so, and credit any overpayment, to Deposit Account No. 14-1270.
